

Tree Harvest Championship Application

Woodland, CA

Thank you for taking part in this year's Tree Harvest Championship

In celebration of the legalization of recreational cannabis in California we bring to you the first annual Tree Harvest Festival and Championship competition. We believe there are countless benefits to cannabis use both medicinal and cultural, and want to help deepen our community's understanding of the positive impact it can have. Your participation is more than a friendly competition; it serves as a platform for cannabis acceptance and to help bring education to those unfamiliar with the richness of the culture.

We are honored to receive your entry and look forward to experiencing the hard work and dedication you have put into your product.

It is our mission to conduct a fair and transparent competition. Every category will be judged on points systems. In categories where lab results are used as part of the contest, 50% of the points will be derived from the lab results and 50% will be derived from the judging sheets. Contestants may view Judging Sheets and Lab results in the manager's office during Tree Harvest Festival. Samples of products entered will be available for viewing in the Harvest Farmers Market building during Tree Harvest Festival.

Thank you for trusting us with your entry,

John Javidan
