A NOTE FROM OUR FOUNDER

in search of
THE PERFECT BUD

by John Javidan

First, I'd like to express my sincere gratitude for taking part in this year's Tree Harvest Championship.

In celebration of the legalization of recreational cannabis in California we bring to you the first annual Tree Harvest Festival and Championship competition. We believe there are countless benefits to cannabis use both medicinal and cultural, and want to help deepen our community's understanding of the positive impact it can have. Your participation is more than just an opinion; it serves as a voice for cannabis acceptance and to help bring awareness to those unfamiliar with the richness of the culture.

We value your opinion and look forward to your participation,

John Javidan
